

san antonio — texas

hyatt regency hill country resort & spa

4 time winner

Discover how memorable a meeting in the wide-open landscape of the Texas Hill Country can be.

at work

Whether your group consists of 1,600 or 16, Hyatt Hill Country will provide the professional staff to make your entire event a success. With more than 33,000 square feet of boardrooms, ballrooms, and outdoor pavilions, the Hyatt Hill Country has the perfect space for events of all types and sizes.

at rest

Experience the warmth and elegance of any one of the 500 luxurious guest rooms. Each one features beautiful stone entryways, leather furniture, triple-sheeted Hyatt Grand Beds with pillow-top mattresses,

and high-speed, wireless Internet access.

at play

Attendees can rejuvenate at the Windflower, the world-class luxury spa specializing in holistic and natural treatments. When it's time for fun and games, the Arthur Hills-designed 27-hole championship course is a must. Recently ranked 17 out of 100 by *Condé Nast Traveler* readers, it is the highest-rated green in Texas. Hyatt Hill Country also has a four-acre water park, complete with a 950-foot Ramblin' River, adult pool with whirlpool, cascading waterfall, and two outdoor spas. Also on site is a beautiful nature trail, 24-hour fitness center, and three additional swimming pools.

at the table

Guests have seven delicious dining options to choose from, including four full-service restaurants. Catering options range from casual buffets to formal soirees, as well as a new Personal Preference menu.
